"The most Wonderful Flowers"

We cannot thank Chirpee Flowers enough for their most exquisite flowers at our wedding. We met with Steph and Tim early on to discuss our requirements and the designs they pulled together were more beautiful than we could have ever expected.

My bouquet was even designed to match the style and shape of my dress.

The flowers really brought our colour scheme to life and made the marquee feel so special. I couldn't recommend Chirpee Flowers more highly!

"absolutely overwhelmed..."

Thank you so much for the utterly stupendous flower displays. My jaw dropped when I saw them, absolutely overwhelmed. They were everything I dreamed of and more, we really can't thank you enough and you were so kind and patient with us, making the impossible dream possible!

Everyone at the wedding commented on how amazing the flowers were. I hope the repurposing went well this morning - we popped into the Salt Room but you'd already gone and it was as if last night never happened!

" My bouquet was from a fairytale..."

Thank you Steph for the most perfect wedding flowers. I can't thank you enough for getting my vision so spot on! The reception table arrangement was a show stopper and had so many compliments all evening. My bouquet was like something from a fairy tale and I wouldn't hesitate to recommend Steph!!

"Even better than expected"

"Helen Baggs 01/08/2020 5.Stars
Even better than I had hoped! Absolutely amazing team, so happy to help, the flowers were perfect! We had a pre-covid plan but Steph and Tim were more than happy to adjust things! I met them with a vague idea, nothing set in stone, I had found a bouquet Steph had done previously which I absolutely adored. The rest they took care of, the style of my bouquet was based around the style of my dress and my bridesmaids had some beautiful flowers rings which also became decorations after the photos. If flowers are important to you Steph and Tim are who you need.

WORRIED THAT THE PACKAGE DOESN'T QUITE FIT?

If you have an extra guest table or an additional
